## CAST

### // LILY BLANCHE

Lily Blanche, a multi-faceted artist, begins her artistic career at an early age at the tips of ballet shoes and quickly gains voice and form on stage; dancer, actress, dreamer, finds the cabaret around the corner, more than ten years ago, and so continues to explore the lost worlds of her creative imaginary mind... mostly in the vaudevillian extravaganzas of the collective "Voix de Ville", in which she is an indispensable member in what concerns the production and alchemy of stage. Chameleon, of exquisite strangeness and overflowing energy, this is Lily.
